Everything Forbidden - Rangeview Library District - OverDrive

He didn't want this...this strange caring about her welfare. And today he would regain control over his emotions and her body. And so, he fights against his feelings and tries unsuccessfully to keep her at a healthy distance. The sex scenes were very good, extremely sensual and tastefully done. Ethan had foreplay down to an art form. I loved that he had a bit of a dirty mouth and how he seduced Miranda slowly, building up her excitement and mine!

[View all 7 comments.](#) Jul 26, Nikki rated it it was amazing Recommends it for: Readers that fancy contemporary style sexy times in an historical

setting. Shelves: hot-hot-hot , own-ebook , erotica , 5-stars , delicious-hero , favourites , historical , perfect-heroine. I think it's important to go into this book with no expectations and with the understanding that it's historical erotica. In saying that, while there were sex scenes aplenty compared to other HR's , they weren't overly gratuitous or overbearing. The sexual overtone didn't take anything away from the story in my opinion. While it wasn't as detailed or fleshed out as your average HR plotline, it made 5 stars. While it wasn't as detailed or fleshed out as your average HR plotline, it made for a simple "A to B" read with just enough angst to ease my angsty cravings.

Ethan our heartthrobby hero was so freakin' hot that his every action scorched off the pages, or as my case may be - my iPhone screen. He knew what he wanted and unapologetically went for it while still being a caring enough sort though he didn't realize it at the time that gave him heart and kept him three-dimensional. Miranda our passionate heroine was one of my favourite heroines in a long, long time. She didn't play games and while originally her actions were a protection of sorts for her family, she never fooled herself or us by concealing her true motivations.

She was honest, sensible and allowed herself to feel with Ethan it was fabulous! And whilst she had a quiet, determined strength, she was also not afraid to allow herself vulnerability. Miranda bit her lip. She wasn't going to become upset in front of him. A man like Ethan wouldn't want some hysterical woman sobbing in his parlor. He hesitated before he slipped the last button into place. Slowly, his gaze lifted to hers and a flicker of heat stoked deep within his eyes.

Dark and dangerous, but it gave her hope. He still wanted her. And Ethan "best lay in England" Rothschild grew on me even more so as it became apparent that he was feeling more for Miranda than he initially wanted to: He'd lost all semblance of control. With difficulty, Ethan moved away from the window, determined not to stare like a lost puppy after Miranda's retreating form. Normally, the days of the week were meaningless to Ethan, especially in the country. But now, in short order, Friday had taken on a different meaning to him.

It meant Miranda. Anything I could change though? For it to be longer. And for it to include an epilogue. Try it, you'll love it. Try it, you'll LOVE it! Oct 20, Nisha rated it it was amazing Shelves: bluestocking-independent-spinster , erotica , historicalromance , courtesan-prostitute , rake-player-heroes , favorites , super-large-family-series. This is just what I needed. A slightly angsty, really sexy historical romantica. Miranda, the oldest Albright sister, witnesses her neighbor, the Earl of Rothschild, aka. Ethan, do the dirty with his current mistress outside on his grounds. Since then Miranda had craved for passion with Ethan , refusing the hand of many eligible suitors.

They just didn't fire her up like the wicked earl did. Wit This is just what I needed. With 3 younger sister to marry off and empty coffers, Miranda decides that the only solution is to submit to Ethan as a short-term mistress, while he foots the bill for her sisters' debuts. Bored from repetitive debauchery, Ethan is alone at his summer house. Until Miranda's bargain. Having been intrigued by the innocent lady, Ethan agrees to the tantalizing offer, sharing sexual delights once a week. That is, until it becomes clear that both of their hearts are at stake. I absolutely adored Miranda.

She's my kind of girl. Despite being a lady, she is tempted by passion and sex, but is also strong in her resolve to protect her family. Her fascination with Ethan is her only weakness, which turns into a painful love that deepens the wedge between her and her family. Ethan, a shameless libertine, has his own tragedy. But honestly, I didn't really care for his sob story, because compared to Miranda's, his was kinda lame. His need for control is a driving force in his personality, which I liked, because it made his choices erratic and inconsistent as he subconsciously falls for Miranda.

I like their relationship, with lots of sex and sexual tension, but also with a tad of angst and unexpected love. It was a killer combination for me. Because I am so invested in this couple, I am not feeling much for Miranda's sisters. Penelope, the heroine of the next book, was cruel and annoying. I am not looking forward for her book.

And Miranda's mother infuriated me though I liked the angst she creates for Miranda - I know, there's something wrong with me. A part of me wanted her to discover Miranda's bargain with Ethan, so she might appreciate her daughter. Overall, I recommend this book to Historical Romantica readers. It's sexy and sensual, while remaining tasteful. Michael's keeps the interactions from becoming vulgar - which is difficult to do with all the eroticism during their encounters.

Jan 19, TK rated it really liked it Recommends it for: women with a pulse. Hello, hotness. While I would recommend this book to just about any woman, desperate housewife or no, I would not recommend reading this book on the subway, on a bus, on a plane, maybe on a plane , or anywhere else that wasn't within a few steps of a very private space. If you know what I mean. Apr 26, Catherine rated it it was amazing Recommends it for: Those who like erotica with a strong romantic plot. Shelves: erotic-romanc , historical-romance. I could not put this book down! I burned the family dinner and read the whole book in less than 24 hours! Feb 22, Alycia rated it it was amazing Recommended to Alycia by: Rachael.

Shelves: historical-erotica , author-jess-michaels-jenna-petersen , kindle-books , favorites. I have never read anything before by Jess Michaels pen name for Jenna Peterson , but I will definitely read more. Especially since this is book one of a series, The Albright Sisters. Miranda Albright, a young girl, and oldest daughter living in the country in England is the voice of reason for her mother and younger sisters. After their father died leaving them penniless, Miranda took upon the responsibility of making sure her family was never homeless. Her mother, was an ridiculous extravagant woman, despite having no money, who only took pleasure constantly harping on every little thing her four daughters did.

Miranda, as a younger girl used to spy on the notorious, Lord Eathan Rothschild every summer when he was in the country with his latest lover making love outdoors. He garnered this reputation of being one of the best, but careless lovers in England. Never allowing himself to come to care for a woman, other than for sex. Miranda had always wanted not just, love but a very passion filled relationship with a man. She had refused several proposals for marriage on the lack of these characteristics and was shunned by society as being a spinster in the making. Her sisters needed to be launched into society to make suitable marriage matches, hopegully relieving their financial burdens as well, sought out Lord Rothschild as an answer to her problems. She made an arrangement with him, as a virgin, that she would become his lover if he would sponsor each of her sisters coming out into society under the guise of owing her deceased father a long ago debt.

Miranda didn't do this just for her family, although that was the driving force, she did it because she wanted to discover passion with Ethan, something she believed he could give her after spying on him all those years. At first, Ethan wanted to dominate, teach, and have absolute control over Miranda. He was like a cat, toying with a canary before he pounced and devoured. Eventually, he lost this total control when he started to develop loving feelings toward Miranda. Convinced that he could never love because of his bloodlines Have women, lots, and never care for them. If he married, it was for duty's sake and nothing more. Miranda throughout this affair learned what intense passion and pleasure could be. She fell quickly and deeply in love with Ethan. Their relationship and agreement was shattered one evening when Miranda's mother was hosting a ball for Penelope, Miranda's younger sister by two years and best friend.

Penelope unfortunately walked in on Ethan and Miranda. The shock was more than Penelope could bare because she came to realize that Miranda had sold herself for the family. Penelope judged her sister harshly and a little unfairly, not bothering to listen that passion was what Miranda wanted, that her and Ethan had more than just a bargain. This was the only thing that bugged me about the book, I had no complaints with the book, just Penelope being so harsh, unfeeling, and judgemental.

Penelope never forgave her sister, but accepted the first marriage proposal from an old man of money that was old enough to be her grandfather. After Ethan and Miranda were found out, Miranda ended their arrangement and forced Ethan to stay away from her, even though that was the last thing she wanted. During their time apart, Ethan realized that he wanted Miranda back in his life at any cost, that he truly did love her and didn't just want her as a mistress or lover, but as a wife. These two were thrust together in London by accident at Penelope's engagement party. Ethan, truthfully pours his heart and soul out to Miranda and offers them to her, only to have her doubt him and refuse him yet again. While she is trying to make a hasty get away, he comes back into the ballroom and makes a very embarrassing and public display for Miranda's hand. Thankfully, she believes him and accepts his proposal of marriage and ultimately his love. I truly did feel the love between this couple.

The love scenes were well written, tasteful, and smoking hot. I look forward to reading the rest of this series. No extreme explicit warnings are needed for this book, there is sex and oral sex described, but that is it. View all 24 comments. Jan 19, i r e n e rated it did not like it Shelves: regency-romances-and-bodice-rippers. When Lisa Kleypas is more erotic than you, you know you've got a problem. Everything Forbidden is billed as an erotic historical but spoiler alert: it's not. This is a case of the trailer being better than the book, or the blurb, anyway. You expect a story of sexual awakening but the story chickens out of its premise before it begins. The biggest problem of regencies written nowadays is that they never put their money where their mouth is, and this is certainly true of the heroine-exchanges-body When Lisa Kleypas is more erotic than you, you know you've got a problem.

The biggest problem of regencies written nowadays is that they never put their money where their mouth is, and this is certainly true of the heroine-exchanges-body-for-duty plotline. In Everything Forbidden, the heroine agrees to submit to the hero in exchange for him sponsoring her sisters' seasons so that they can make good matches, and get the family out of debt. The heroine, although described as a conventionally attractive woman that would be a catch, is considered a spinster because she has refused too many suitors and has now earned a reputation for turning down proposals. Silly me for expecting this erotic plotline to actually manifest itself. The hero assigns the heroine erotic literature the first time she comes over. The second time, he orders her to leave soon after she arrives.

Cherry on top? They don't even finish the summer together. There is a coming-out ball for her sister, and then they separate before reuniting in London. If you want erotica in your regencies, Annabel Joseph's Properly Spanked Series is a great series of novella-length stories with fleshed-out characters and believable conflicts.

You also really can't go wrong with Lisa Valdez's Passion Quartet Except for the fact that this series is much delayed. Heck, if you just want to read a story with the same plotline - Anne Mallory's Three Nights of Sin does a much more sensual take. April Moran's The Untamed Duke also cops out of its sexy business proposition but it remains very steamy and fun. Everything Forbidden sets up the heroine's sister for her own book in the series, but I will not be reading. A historical romance where the characters speak and act as if they are modern day lovers. This did not bother me too much as I was eager to follow the romance between the two characters, the incorrigible, irresistible rake and the innocent yet wildly sensual country lass who sells herself to him in order to save her family from dire straits.

It was easy to see the predictable conclusion to this journey yet it was still entertaining to read. The stronger voice belonged to the female heroine, who A historical romance where the characters speak and act as if they are modern day lovers. The stronger voice belonged to the female heroine, who looked all willowy but acted and spoke with a strength and integrity that made me root for her all the way. The rake was more of a cardboard cut out and far less interesting. In fact, in some situations, he seemed downright wimpish compared to the heroine.

I would recommend it for readers who like their romance light on the historical, heavy on the passion and the love. View all 4 comments. I really wanted her to give them a earful. Jul 24, Daniella rated it liked it. Everything Forbidden is a rare gem in erotic romance. Jess Michaels succeeded in injecting a somewhat convincing romance to the story, a victory that very few writers of the genre can claim. This success, however, is relative; the story shines only when compared with other erotic stories.

But taken individually--judged alone--it is merely an okay novel with an unrealistic plot, less than likeable characters, and flat dialogue. There was no depth in Ethan and Miranda, nothing to indicate that Everything Forbidden is a rare gem in erotic romance. There was no depth in Ethan and Miranda, nothing to indicate that there were more to them than met the eye, nothing to spark my interest. They were simply What is remarkable is the sex. Dirty, dirty sex. I didn't mind, because hey, this is an erotic romance, but not everyone may be comfortable with toys, masturbation and such.

What I did mind, however, is the uneven power distribution between Ethan and Miranda. I didn't like how Ethan always wanted control and power, even though it made sense given how he was established in the novel. He was like Christian Grey in breeches--only less whiny and more honourable. And being a firm hater of the Fifty Shades franchise, I did not like that. I prefer equal ground in any relationship, please. I can see why people like this, but sadly, its potent sexuality did not compensate for the lack of depth in the story and in the characters.

Jan 22, Didi rated it it was amazing Shelves: romance , favorites , hot-as-hell , erotica , unable-to-put-down , alpha-male. If I can write a poem to thee dear book I would! Double check!! Awesome story and even better characters?! Triple, quadruple check!!! It cuffed, collared and bartered me to the highest bidder and it could do it over and over again! I was mesmerized from the second page in. I knew it was going to be a mind-boggling surprise because the last couple times I've read historical romance it left me empty and wanting.

But now I see where my mistakes lay It's the erotic element in Jess Michaels' books that made all the difference. I love angst reads but not when they're unrelatable. This had that repressed love and devotion streaming through all the pages. Miranda was awesome. Strong, steel-willed, and full of passion. She made me feel for her more than any other character in a long time. I loved her tenacity and self-preservation! The man was on fire!!

He is joining the ranks of best book boyfriend! He was hot, sexy, seductive and had a contained wickedness that I ate up like a prison inmate given caviar. He was delicious and mouth-watering. I could on and on I am definitely reading more from this author and can't believe something so good was out there and I didn't find it till now! View all 8 comments.

Aug 08, Shannon rated it really liked it Recommended to Shannon by: Jess. Shelves: , erotic-romance , historical-romance. Miranda Albright is the eldest daughter of five, and ever since their father - the younger son of a peer - died, leaving the family deep in debt, she has managed the finances. Now her sister Penelope is of age to come out, and their mother is determined to have now dresses and balls to increase her chances of marrying well - something Miranda turned down three times during her own Season. Desperate to keep her mother from bankrupting the family, Miranda puts together riskiest plan yet: she goes t Miranda Albright is the eldest daughter of five, and ever since their father - the younger son of a peer - died, leaving the family deep in debt, she has managed the finances.

Desperate to keep her mother from bankrupting the family, Miranda puts together riskiest plan yet: she goes to her neighbour, the Earl of Rothschild, to ask him to sponsor her sisters. After three years of secretly watching him pleasure his mistresses and lovers by the lake near their property, and yearning for passion, it is her secret desire to experience it herself - and Ethan, Lord Rothschild, is her ultimate fantasy. Ethan has always noticed Miranda, but he steers clear of ladies and marriage in particular. Still, when she comes to him with her desperate plea for help and the open offer of a bargain, it's more than he can resist. In exchange for sponsoring three of her sisters, he gets Miranda for a day a week for the next three months. They are days of sexual awakening for Miranda, and a deepening of her passion into something stronger and more intimate. For Ethan, they are days of near obsession, where he struggles to keep control and remain detached, so sure he would ruin the life of any good woman.

And they are days of sneaking behind her family's back and lying - until the worst happens. Michaels writes emotionally intense, vivid stories, rich in erotic pleasure but always tasteful, and at their hearts they are stories about, well, the heart. Very similar in style and structure as Taboo - and featuring Cassandra, prior to her own story - it presents a stronger male lead but a less vigorous and familiar heroine. Miranda was likeable and sympathetic, and a completely different person from Cassandra - understandable, as they are coming from very different backgrounds and situations and upbringings.

Miranda showed fire and strength at rare times, in keeping with her character, but was also so beaten down by circumstance and insecure about Ethan, that she wasn't, well, as fun to read about. Ethan, though, was quite the erotic male lead. Everything about him fitted perfectly with how he was described, his reputation, his lifestyle, his desires and his own insecurities.

He was subtly complex, and worth fighting for. The two had all the chemistry you could need - it practically set the pages on fire. You do need to overlook a bit of artistic licence with the period setting. Set in the Regency period - , to be exact - there's the same confusion over costume that puzzled me in Taboo. While slim women like Miranda wouldn't have needed to wear a corset under their Empress dresses, they did wear more than just a chemise. Also, their dresses didn't button up at the front, which the dresses on Michaels' women always do. Generally, though, the period is solid and the stories, set in this period, believable. For an fun, intense and satisfying romp you can't go far past Jess Michaels. Jun 05, Summer rated it it was ok Shelves: historical-romance , did-not-finish , romance , sexually-explicit. The premise is interesting, and I'm all for historical steaminess : However this book to me fell a little flat.

I don't expect the characters to particularly well-rounded in this genre but I couldn't really care about them, particularly the hero. He kept waxing on about his well honed control and how he kept loosing it around the heroine. Which, in idea is kinda exiting. But he keeps mentioning it over To the point where it drove me nuts. Despite this it wasn't The premise is interesting, and I'm all for historical steaminess : However this book to me fell a little flat. Despite this it wasn't a terrible book or anything. I just found myself about half way through the book and didn't really care about what happens next.

View 1 comment. May 09, Jaime rated it liked it Shelves: romance , read-on-Kindle , erotic-romance , stand-alone , historical-romance. An epilogue would have been nice, the ending was rather abrupt. I'm supposed to be cleaning the house, grocery shopping, washing clothes, getting ready for New Years Eve. Instead, my ass is numb from sitting on the couch reading this entire book in one sitting. I don't think I have to tell you I really liked this book! View all 22 comments. Mar 12, Stephanie rated it really liked it Shelves: historical , ebook. A historical cross between Pride and Prejudice and Pretty Woman. Very steamy too. View all 9 comments. May 17, Kathleen rated it it was amazing. Just wanting to add it to my read book's. Well, this was disappointing.

Little about this story was plausible. The steam was adequate but the story and characters were very cookie cutter. I found myself rushing to just get it finished. Shelves: erotic , paranormal-romance. There are a couple of cliches in this novel which I'll mention now. The heroine's father was a gambler and spendthrift leaving the family near penniless. The hero doesn't want to marry because his father philandering ways led to his mother's drinking, depression, and decline. Three years ago, Miranda Albright stumbled upon an erotic encounter between her neighbor Ethan Hamon, the notorious Earl of Rothschild, with his summer lover. She continued to spy on him and his different lovers every summer There are a couple of cliches in this novel which I'll mention now. She continued to spy on him and his different lovers every summer.

She turned down marriage proposals because she knew she would not be happy unless her marriage had passion. Miranda's father dies and her sisters need their seasons. She goes to Ethan for assistance and agrees to his proposition. She will be his lover every Friday for 24 hours during the next three months and he will sponsor her three sisters a season each. Miranda accepts. This book is not a smex fest. It's not 24 hours of kinky loving. Ethan and Miranda make an emotional connection, which frightens him and makes him skittish. He often sends her away before the day is over. Bedding the Heiress Cathy Maxwell E-bok. Devil's Web Mary Balogh E-bok. Web of Love Mary Balogh E-bok.

Now her sister Penelope is of age to come out, and their mother is determined to have now dresses and balls to increase her chances of marrying well - something Miranda turned down three times during her own Season.

Desperate to keep her mother from bankrupting the family, Miranda puts together riskiest plan yet: she goes to her neighbour, the Earl of Rothschild, to ask him to sponsor her sisters. After three years of secretly watching him pleasure his mistresses and lovers by the lake near their property, and yearning for passion, it is her secret desire to experience it herself - and Ethan, Lord Rothschild, is her ultimate fantasy. Ethan has always noticed Miranda, but he steers clear of ladies and marriage in particular.

Still, when she comes to him with her desperate plea for help and the open offer of a bargain, it's more than he can resist. In exchange for sponsoring three of her sisters, he gets Miranda for a day a week for the next three months. They are days of sexual awakening for Miranda, and a deepening of her passion into something stronger and more intimate.

For Ethan, they are days of near obsession, where he struggles to keep control and remain detached, so sure he would ruin the life of any good woman. And they are days of sneaking behind her family's back and lying - until the worst happens. Michaels writes emotionally intense, vivid stories, rich in erotic pleasure but always tasteful, and at their hearts they are stories about, well, the heart. Very similar in style and structure as Taboo - and featuring Cassandra, prior to her own story - it presents a stronger male lead but a less vigorous and familiar heroine. Miranda was likeable and sympathetic, and a completely different person from Cassandra - understandable, as they are coming from very different backgrounds and situations and upbringings. Miranda showed fire and strength at rare times, in keeping with her character, but was also so beaten down by circumstance and insecure about Ethan, that she wasn't, well, as fun to read about.

Ethan, though, was quite the erotic male lead. Everything about him fitted perfectly with how he was described, his reputation, his lifestyle, his desires and his own insecurities. He was subtly complex, and worth fighting for. The two had all the chemistry you could need - it practically set the

pages on fire. You do need to overlook a bit of artistic licence with the period setting. Set in the Regency period - , to be exact - there's the same confusion over costume that puzzled me in Taboo. While slim women like Miranda wouldn't have needed to wear a corset under their Empress dresses, they did wear more than just a chemise. Also, their dresses didn't button up at the front, which the dresses on Michaels' women always do. Generally, though, the period is solid and the stories, set in this period, believable. For an fun, intense and satisfying romp you can't go far past Jess Michaels.

Jun 05, Summer rated it it was ok Shelves: historical-romance , did-not-finish , romance , sexually-explicit. The premise is interesting, and I'm all for historical steaminess : However this book to me fell a little flat. I don't expect the characters to particularly well-rounded in this genre but I couldn't really care about them, particularly the hero. He kept waxing on about his well honed control and how he kept loosing it around the heroine. Which, in idea is kinda exiting. But he keeps mentioning it over To the point where it drove me nuts. Despite this it wasn't The premise is interesting, and I'm all for historical steaminess : However this book to me fell a little flat.

Despite this it wasn't a terrible book or anything. I just found myself about half way through the book and didn't really care about what happens next. View 1 comment. May 09, Jaime rated it liked it Shelves: romance , read-on-kindle , erotic-romance , stand-alone , historical-romance. An epilogue would have been nice, the ending was rather abrupt.

I'm supposed to be cleaning the house, grocery shopping, washing clothes, getting ready for New Years Eve. Instead, my ass is numb from sitting on the couch reading this entire book in one sitting. I don't think I have to tell you I really liked this book! View all 22 comments. Mar 12, Stephanie rated it really liked it Shelves: historical , ebook. A historical cross between Pride and Prejudice and Pretty Woman. Very steamy too. View all 9 comments. May 17, Kathleen rated it it was amazing. Just wanting to add it to my read book's. Well, this was disappointing. Little about this story was plausible. The steam was adequate but the story and characters were very cookie cutter. I found myself rushing to just get it finished. Shelves: erotic , paranormal-romance. There are a couple of cliches in this novel which I'll mention now. The heroine's father was a gambler and spendthrift leaving the family near penniless. The hero doesn't want to marry because his father philandering ways led to his mother's drinking, depression, and decline.

Three years ago, Miranda Albright stumbled upon an erotic encounter between her neighbor Ethan Hamon, the notorious Earl of Rothschild, with his summer lover. She continued to spy on him and his different lovers every summer There are a couple of cliches in this novel which I'll mention now. She continued to spy on him and his different lovers every summer.

She turned down marriage proposals because she knew she would not be happy unless her marriage had passion. Miranda's father dies and her sisters need their seasons. She goes to Ethan for assistance and agrees to his proposition. She will be his lover every Friday for 24 hours during the next three months and he will sponsor her three sisters a season each. Miranda accepts. This book is not a smex fest. It's not 24 hours of kinky loving. Ethan and Miranda make an emotional connection, which frightens him and makes him skittish. He often sends her away before the day is over.

It is their passion that leads to their romance and them falling in love. I loved how Ethan paced the room waiting for Miranda. The he would try to play it cool by making her wait. Ethan was a man who was use to the sexual art of sex. He finally meet a woman who doesn't play the game and revels in the passion he shares with her. In the past he'd notice her. He noticed Miranda looking at him as if she knew him. She was a reputable miss and, therefore, off-limits. Now, he has her and it throws him completely off balance. I wish this book would have had an epilogue. The ending was abrupt. Ethan proved himself a hero in a romantic way. I liked that Miranda knew what she wanted and went for it. At one point, Her decision-making didn't make sense to me. FYI - For those gentle readers, there isn't any "back-door lovin'" or menage a trois. No BDSM either. There was one toy, although I don't know what it was. What makes a romance erotic? Is it the premise? I think Stephanie Laurens writes hot sexy times.

So does Kresley Cole and Shelly Laurenston. Ah well, I'm off on a tangent. Anyway, this book has passionate encounters in front of a mirror, in a chair, and against a window. If you want to try an erotic novel this one shouldn't intimidate a gentle reader. On another tangent Men really need to read romance novels. View all 5 comments. Feb 01, Michelle rated it it was amazing Shelves: favorites. One of my first romance books and still one of my favorites. Like throw-some-ice-on-me steamy! I think this was definitely one of the steamiest books I have read. Jess Michaels knows how to write characters that you not only love but the chemistry between our two leads, Ethan and Miranda, bring some serious blushes and a need for a cool drink of water.

Ethan has a dominant personality, especially in the bedroom but he starts to lose control when it comes to Miran One of my first romance books and still one of my favorites. Ethan has a dominant personality, especially in the bedroom but he starts to lose control when it comes to Miranda. Miranda tries to take some control to keep the playing feel leveled but all I could see was each of them losing control to the other. There is the BDSM tag but there is no bondage, chains, whips, spanking or beatings just Ethan's dominant personality, he isn't even that harsh about it, or at least I didn't think his personality was too much. I promise there is actual plot. Basically, Miranda offers herself to Ethan in exchange that he hosts her sisters in the coming Seasons because her family is practically broke.

There isn't just straight up sex even though it may sound like that. Miranda has a lot of pressure to take care of her family. Obviously she will do whatever it takes to enter her sisters in society and Ethan definitely is her first choice as he has shown her desire without him even knowing about it read description for book. Ethan and Miranda have amazing chemistry where they don't even have to be touching each other for you to feel the intense heat between them.

If you have read enough romance novels, you know they will end up falling in love. They did but how they got there was so very lovely. I read the second book, Something Reckless, before this first one because I thought the plot sounded more interesting. I ended up loving this book a lot more than its sequel. Because I had some ideas about what happened in this book, I was eagerly waiting for everything to connect. Like the ending It was exactly how I imagined it and provides a very satisfying ending. Overall: 5 stars Recommendation: I definitely recommend this to mature

readers whatever mature may mean to you. Mar 27, Kristy rated it liked it Shelves: own , historical. This is definitely not for Young Adults, this thing needs a warning label on it. Sex is pretty much on every other page Miranda Albright's Father has passed away, leaving her family with unpaid debts, 3 daughters and no money.

Her Mother is basically in denial and refuses to live frugally. It is up to Miranda to figure out a way to make money- this is set back in the 's, so of course it becomes a scheme to marry off one of her sisters. To do so, she must h well, that was To do so, she must have an incredible Season. Miranda derives a plan, a plan to give herself to their neighbor, Ethan Hamon, the Duke of Rothschild. She knows he will except because she has viewed his sexual prowess from a far, hiding in bushes causing something to stir up inside her.

She tells no one of their agreement of 90 days. She doesn't even deny to herself she loves the passion. Will this ruin her reputation? Will her family find out? Can she be passionate with this man without falling for him??? Blah, Blah, Blah The story itself is an intriguing idea, but it falls flat. There is WAY to much sex and no where near enough story.

Iran: Everything Forbidden, Anything Possible () - IMDb

Now that her father has passed on, leaving behind a mountain of debt, Miranda must do the unthinkable. For Ethan has promised to sponsor her younger sisters, financially and socially, at a scandalously dear price: Miranda must offer herself to him completely for three full months, with no remorse and no restraints. Ninety days and nights of unbridled sensuality await her in the arms of a rogue who views her submission as no more than a grand erotic game. But neither Miranda nor Ethan realize that fire blazes behind her innocent blush. And once her passion is unleashed by his lips and his touch, it is the student who will school the teacher in the ways of forbidden pleasure. Everything Forbidden Jess Michaels Author. Description For summers Miranda Albright has watched--aghast, yet shamefully titillated--as her wicked neighbor Ethan Hamon, the notorious Earl of Rothschild, entertained a succession of lovers on the grounds of his estate.

Everything Forbidden (Albright Sisters, #1) by Jess Michaels

Jess Michaels succeeded in injecting a somewhat convincing romance to the story, a victory that very few writers of the genre can claim. This success, however, is relative; the story shines only when compared with other erotic stories. But taken individually--judged alone--it is merely an okay novel with an unrealistic plot, less than likeable characters, and flat dialogue. There was no depth in Ethan and Miranda, nothing to indicate that Everything Forbidden is a rare gem in erotic romance. There was no depth in Ethan and Miranda, nothing to indicate that there were more to them than met the eye, nothing to spark my interest. They were simply What is remarkable is the sex. Dirty, dirty sex. I didn't mind, because hey, this is an erotic romance, but not everyone may be comfortable with toys, masturbation and such. What I did mind, however, is the uneven power distribution between Ethan and Miranda. I didn't like how Ethan always wanted control and power , even though it made sense given how he was established in the novel.

He was like Christian Grey in breeches--only less whiny and more honourable. And being a firm hater of the Fifty Shades franchise, I did not like that. I prefer equal ground in any relationship, please. I can see why people like this, but sadly, its potent sexuality did not compensate for the lack of depth in the story and in the characters. Jan 22, Didi rated it it was amazing Shelves: romance , favorites , hot-as-hell , erotica , unable-to-put-down , alpha-male. If I can write a poem to thee dear book I would! Double check!! Awesome story and even better characters?! Triple, quadruple check!!! It cuffed, collared and bartered me to the highest bidder and it could do it over and over again! I was mesmerized from the second page in. I knew it was going to be a mind-boggling surprise because the last couple times I've read historical romance it left me empty and wanting.

But now I see where my mistakes lay It's the erotic element in Jess Michaels' books that made all the difference. I love angsty reads but not when they're unrelatable. This had that repressed love and devotion streaming through all the pages. Miranda was awesome. Strong, steel-willed, and full of passion. She made me feel for her more than any other character in a long time. I loved her tenacity and self-preservation! The man was on fire!! He is joining the ranks of best book boyfriend! He was hot, sexy, seductive and had a contained wickedness that I ate up like a prison inmate given caviar. He was delicious and mouth-watering.

I could on and on I am definitely reading more from this author and can't believe something so good was out there and I didn't find it till now! View all 8 comments. Aug 08, Shannon rated it really liked it Recommended to Shannon by: Jess. Shelves: , erotic-romance , historical-romance. Miranda Albright is the eldest daughter of five, and ever since their father - the younger son of a peer - died, leaving the family deep in debt, she has managed the finances. Now her sister Penelope is of age to come out, and their mother is determined to have now dresses and balls to

increase her chances of marrying well - something Miranda turned down three times during her own Season. Desperate to keep her mother from bankrupting the family, Miranda puts together riskiest plan yet: she goes to her neighbour, the Earl of Rothschild, to ask him to sponsor her sisters.
